

JOHN T. "JACK" VOGEL
Natural Resource Planning Services, Inc.

PROFESSIONAL EXPERIENCE

1974 - Present **Consulting Forester and Principal**
Natural Resource Planning Services, Inc.

Started Natural Resource Planning Services, Inc. in 1974 as a Florida based consulting forestry firm. Serves as the firm's President, supervising company employees and setting policy. Participates in all professional service activities offered by the firm including:

- Timberland acquisition and liquidation
- Timber inventories & appraisals
- Silvicultural prescriptions
- Wildlife management of game & non-game species
- Prescribed burning

1972 - 1974 **Staff Forester**
Florida Forestry Association, Tallahassee, FL

Served as a technical advisor to the Executive Vice-President of this forest industry trade association. Coordinated the state Tree Farm program, developed, and implemented a membership recruitment program for the association. Assigned limited lobbying and public relation responsibilities in areas of forestry and forestry management.

1971 - 1972 **Staff Forester**
Florida Division of Forestry

Served as assistant to the Fire Control Research Coordinator within the Fire Control Bureau of the Division of Forestry. Assisted in the planning or staffing campaign fires throughout the state. Assisted in the statewide annual disease and insect survey. Participated in data collection of the Continuous Forest Inventory plots on the Withlacoochee State Forest.

Assigned as the state's first urban forester to the County Manager's staff in Metropolitan Dade County. Developed a pilot urban forestry project that concentrated on the social and environmental benefits of natural vegetation systems in Dade County.
